

2025 - 2026 ANNUAL CAMPAIGN

Putting the FUN in Fundraising!

In the early 1900s, Sir James Aikins made a visionary gift of Aikins House and his grand parcel of land to establish a school for girls in Winnipeg. That gift became Balmoral Hall School, where generations of girls have grown into scholars, and changemakers.

Why Fundraising Matters

Tuition and government grants cover the essentials. Philanthropy makes the extraordinary possible, supporting opportunities that tuition alone can't provide. As an independent school and non-profit registered charity, your gifts support:

- Innovative academic programs
- Technology and science tools
- Upgraded classrooms and facilities
- Student Bursaries (1 in 5 students receives financial aid)

The Annual Campaign is the umbrella for all fundraising at Balmoral Hall. It supports both day-to-day needs and long-term priorities, helping our students thrive.

Last year, we raised \$994,000 for the BH Foundation's endowment and for operating, combined. Without revealing all the details just yet... let's just say it will be colourful, and school spirit will play a big part in this year's campaign. And it's going to be FUN.
